Dairies

PAN ASIAN DAIRIES

Pan Asian Dairies is a subsidiary of a group of companies long established in the middle east with over 70 years of experience in manufacturing consumer goods. We now bring our expertise in manufacturing to Malaysia. With our newly constructed, state-of-the-art factory, we are well suited to meet the requirements of consumers in Malaysia as well as South East Asia and the rest of the world. With a focus on manufacturing dairy goods and other ready-to-drink beverages, Pan Asian Dairies intends on becoming one of the most well-renowned manufacturers in the region. Our business consists of; own-brand manufacturing, Co-Packing/OEM, and export.

Mission

We are committed to procure, produce and distribute top-quality, value-added products/beverages to our consumers, shareholders & community.

VISION

To become the leading & preferred food/beverage manufacturer in Asia Pacific and to accomplish this while enhancing sustainable long-term value for all stakeholders.

Values

Well-trained and ethically committed staff are the capital of the group for the present & future. Social activities and charity are our responsibility and privilege. Consumer & employee satisfaction is our ultimate goal.

THE PAN ASIAN DAIRIES FACTORY

The Pan Asian Dairies factory is situated on 76,000 sqm of land-based in Sendayan - Negeri Sembilan, Malaysia. Strategically located with easy access to major expressways and ports. The highest quality M&E works, processing facilities, packing machines, and expert staff ensures all of the products manufactured at the facility meet and exceed both local and international standards. The Pan Asian Dairies factory is currently undergoing certification for Halal, HACCP, GMP, and Mesti approvals.

The Factory has a capacity of over 30000 packs per hour from its 4 UHT aseptic production lines.

The factory also has the capacity for expansion into set/stirred yogurt, drinking yogurt and ice cream production lines

SUSTAINABILITY

PERFORMING TOGETHER

Rich industry experience is our most valuable asset. This is passed on and developed internally. Up-skilling and equipping our workforce with relevant skills and expertise.

Recyclable packaging

Our beverage packs are recyclable, with 3 easy steps.

WATER

Own waste-water treatment plant to ensure water leaving from the factory is good quality. The water therefore will not be harmful for the local environment and can be reused as needed.

OEM + CO-PACKING

A partner you can trust

Over 70 years of experience

The highest safety & quality standards

Using our state-of-the-art and brand new manufacturing facility, we are able to offer our services to other companies that do not have the capacity to add new production lines or for those who do not want to incur the full investment of creating a production line.

Using Pan Asian Dairies as your trusted Co-packing and OEM partner you can ensure your products will be manufactured with the highest degree of quality and safety assurances.
